

UTOVARNE RAMPE

LOADING RAMPS

OPIS ELEMENTA

Ukoliko se koristi pretovarno mesto za kamione, Martini Gradnja u svom programu ima utovarne rampe koje predstavljaju betonske platforme koje povezuju magacin sa tovarnim prostorom vozila.

DESCRIPTION OF ELEMENTS

If used reloading place for trucks, Martini Gradnja in its program has ramps that are concrete platforms that connect stockroom with cargo space vehicles.
